Upon arrival, head north from Perth's central business district and joining the Indian Ocean Drive at Yanchep, cruise past pristine beaches and pretty spring wildflowers on a scenic drive to reach Lancelin in just 1.5 hours. Stop here to try **sandboarding** at the famous **Lancelin Sand Dunes** – the white sands make a perfect setting for sandboarding. At midday, indulge in a **half-lobster lunch** before making your way to Geraldton. Stop for some photos of **The Leaning Trees**, a bizarre natural phenomenon caused by the airborne salt content blown in with the winds off the Indian Ocean where the tree trunks lie horizontal to the ground, which have become somewhat of an icon.

Continue to **Geraldton**, a trendy seaside city offering everything from cold-brew coffee to street art and arts festivals, making it as much a destination for those who love city life as for those who like getting back to nature. The 500-metre walk to **Nature's Window** also presents great photo opportunities, as the natural hole in the ancient rock perfectly frames the Murchison River carving through the gorge

far below. Thereafter, visit **Kalbarri Skywalk** for spectacular views of the 400-million-year-old sandstone that formed the gorge and all its surrounding environment. Next, drop by the gorgeous **Hutt Lagoon**. One of the most picturesque spots in Western Australia, the dreamlike, pink hue of Hutt Lagoon comes from the presence of the algae *dunaliella salina* in the water, and the colour vibrancy is known to change with the seasons and time of day. Finally, head to the **Coastal Cliffs** to see the **Natural Bridge**, formed from the thousands of years of surf pounding away at the cliffs, creating a tunnel through one strong section jutting out into the ocean.

04 GERALDTON ▶ THE PINNACLES DESERT ▶ PERTH

Breakfast, Dinner

Today, experience one of Australia's most mystical landscapes – **The Pinnacles Desert**, which is located inside **Nambung National Park**. The Pinnacles are amazing natural limestone structures, formed approximately 25,000 to 30,000 years ago after the sea receded and left behind deposits of seashells. Over time, coastal winds removed the surrounding sand, leaving the pillars exposed to the elements. The Pinnacles range in height and dimension - some stand as high as 3.5 metres! Walk among the mysterious formations that are believed to be remnants of prehistoric seashells, then browse the exhibits at the visitor centre to learn more about the area's fascinating geological history.

- 9. GENERAL MATTERS RELATING TO TOURS**
- 9.1 Accommodation**
Accommodation is as specified in the tour brochure / itinerary / tour booking form. In the event the specified accommodation is not available, every effort will be made to scout for an alternative in another accommodation of similar standard. Hotel room sizes, facilities and services may vary in different country. Accommodation for adults is based on twin-share, double or triple-share bedroom. Different room type might not be on the same level. Single room occupancy comes with an additional cost.
- 9.1.1 Room size is generally slightly smaller than what you may be used to. Space is precious commodity in Europe and especially in its busiest cities. Many of the buildings will have been in existence for hundreds of years and were not built with the modern traveller in mind. The upside is that they are usually in excellent locations and have a fascinating story to tell.
- 9.1.2 Bed sizes may also differ. In Europe, King and Queen-sized beds are very rare. Here, double beds are the norm and you may often find that a double room consists of two twin beds pushed together instead of a full bed, made up with one set of linen. You may also find that twin beds will be placed very close together.
- 9.1.3 A triple room is the same size as a twin-share room. The third bed is always a roll-away bed or sofa bed added into the room. As a result, you may feel that the room is very cramped and small.
- 9.1.4 Europeans are very socially and environmentally conscious, especially about air-conditioning in Europe. During autumn and winter seasons, the central air-conditioning will be switched off in the hotel rooms. So, do not expect that the air-conditioning will be switched on in the room. You may open the windows to let cold air in, where possible.
- 9.2 **Special Request**
If there are any requests regarding special meals, dietary requirements, adjoining rooms, flight seating arrangement and so on, please inform the Company upon booking. However, such requests are strictly subject to confirmation and availability by the airlines/hotels. There are no halal meals on tour.
- 9.3 **Baggage**
The Customer is usually allowed check-in baggage not exceeding twenty (20) kilograms. Only one piece of hand-luggage not exceeding seven (7) kilograms is allowed on board the aircraft. Excess baggage charges must be borne by the Customer and are subject to individual airlines' company policy.
- 9.4 **Meals**
- 9.4.1 Meals, including meals served on flights, are as indicated in the tour brochure / itinerary / tour booking form. In the event where in-flight meals are not served due to whatever reasons, there shall be no refund or replacement.
- 9.4.2 You and your travelling companions will generally dine together at a designated time. Table will often vary in size and free seating enables you to dine with family members or new travelling companions each evening. A breakfast buffet is included daily and will reflect the local regions tastes and culture. Very occasionally, an early departure may result in a light breakfast box for you to take away if applicable. Lunches are sometimes included but are usually an opportunity for the guest to enjoy some free time to visit a local café, bar or restaurant and eat where the locals do. Your tour manager will be able to provide you with a range of options to suit all tastes and preferences.
- 9.5 **Seat Rotation**
For the convenience of all members of the group, passengers may be requested to rotate their seating arrangements on the coach during the period of the tour. Please cooperate when requested to do so by the tour manager / tour leader / guide.
- 9.6 **Motor-coach**
For selected itineraries with Wi-Fi on coach using 3G mobile network, please be aware that the connection is slower than standard broadband and at times may not be available. It is good for checking emails, web browsing and updating social media accounts, but less so for streaming videos or large photo uploads.
- 9.7 **Single Room Supplement**
Please note that customers paying for single room occupancy supplement charge will be allocated a single room. The single room supplement charge as indicated in the booking form applies. Hotels will try their best to upgrade twin/double room for guests who opt for single room occupancy, but this may not be possible in the event when hotel occupancy rate is high.
- 9.8 **Suggested Excursion**
Optional list may be subject to change, depending on the time you are travelling or local circumstances including weather and days of the week. Further information will be provided by your Tour Manager / Guides during the tour.
- 9.9 **Flights**
The tour group might be comprised of flights on different airlines, so the Tour Manager may not be on the same flight as the group. If the group is not on the same flight as the Tour Manager, the group will have to proceed to transit on their own. There will be a check-in staff at Singapore Changi Airport to assist the group to check in if the Tour Manager is not flying together.
- 10. PRICING POLICIES**
- 10.1 **Tour Fare Includes**
Return economy class group tour air ticket, local transport, accommodation, admission fees, meals and sightseeing programme as stipulated in the tour brochure / itinerary / tour booking form.
- 10.2 **Tour Fare Excludes**

Overseas Bank transfer may incur additional surcharge and to be borne by the Customer.
- 11. RESPONSIBILITY**
- 11.1 The Company acts as an agent for the carriers, transportation companies, hotels and other principals of the tour packages. The Company accepts no responsibility for any injuries, losses, damages, accidents, flight cancellations, delays, theft, quarantine, customs regulations, strikes, weather hazards, political unrest, changes in itineraries, deportation or refusal of entry by Immigration Authorities resulting from improper travel documents, possession of unlawful items or irregularities that may cause damage to person or property.
