Today, spend the day free at your leisure. We recommend an excursion to one of the most picturesque parts of Austria with Lake Hallstättersee – the UNESCO Cultural Heritage Committee wrote: "... nature of extraordinary beauty added to scientific import ..." but it's also the oldest salt mine in the world. The spectacular findings even gave a culture and epoch its names.

recommend an excursion to one of the most picturesque parts of Germany – Rothenburg ob der tauber. Rothenburg ob der Tauber is a German town in northern Bavaria known for its medieval architecture. Half-timbered houses line the cobblestone lanes of its old town. The town walls include many preserved gate houses and towers, plus a covered walkway on top of St. Jakob's Church houses an intricate, late Gothic altarpiece by woodcarver Tilman Riemenschneider. The medieval town hall has a tower with panoramic views.
